Nearly ninety pages, choc-a-block with fun and exercises. Train your professional eye and practise recognizing typical constellations, typical “traps” and combinations at one glance.

All my Combinations

Combinations are special constellations of certain cards, which carry a fixed meaning and must be interpreted in a special way. rather specific and very precise.

Some also appear more frequently than others.

You will be surprised how much more detailed, accurate and interesting your interpretations will be, once you have mastered these special constellations.

Packed with combinations and useful little hints, “All my Combinations at a Glance” is a inevitable little helper on your way to success!

For the more advanced cartomancers among you:

If you would like to deepen your knowledge I can recommend

Professional Cartomancy I

A lavishly illustrated full-colour e-book with numerous exercises and explanations.

You know your cards? - *Yes, well,....basically...*

You can interpret a constellation of 2, 3 or more cards in a row? - *Yes, well, as long as there are not too many funny combinations...*

You know how to analyze a complete spread from the first to the last card? – *Um, yeah, theoretically...*

If you have already mastered the basics, but still feel a little insecure when it comes to interpreting a complete spread, unsure where to begin and which particular meaning of a card to use, the this book is for you!

Advanced analyzations and additional meanings are introduced, more combinations are given, and your “eye” for the cards in context is trained.
